

# RMDDU 17A

The RMDDU is a rugged 2U rack-mount drawer with dual-screen LCD monitors. The displays fold together, rotate, and slide in for storage.

It is an ideal match in military transit case applications and command & control centers. The compact 2U rack-mount display drawer uses a secure all-aluminum monitor mounting and stabilization design necessary for robust government & defense, communications and industrial automation applications.

Ideal match in
