

RMDDU

The RMDDU is a rugged 2U rackmount drawer with dual-screen LCD monitors at 17.3", 19", or 23". The displays fold together and rotate close into the drawer for slide in storage.

It is an ideal match in military transit case applications and command & control centers. The compact 2U rackmount display drawer uses a secure all-aluminum monitor mounting and stabilization design necessary for robust government & defense, communications and industrial automation applications. It is also designed for server room applications.

RMDDU Technical Specifications

Display	Option 1: 2x 17.3", 16:9 Display 1920x1080 Option 2: 19", 5:4 Display 1280x1024
